

## MUDAVATH GOVINDU NAIK

✉ mgovindhu9@gmail.com | 📞 +91 9618523155 | 📍 Hyderabad

### Career Objective

To obtain an entry-level Front-End / Angular Developer role where I can apply my skills in web technologies and contribute to building efficient, user-friendly applications while growing in a dynamic environment.

### Education

- B. Tech – ECE, Rayalaseema University, Kurnool — 2024 | CGPA: 70%
- Intermediate – MPC, APTWR Jr College, Srisailam — 2020 | 92%
- SSC, APTWRS School, Srisailam — 2018 | GPA: 8.5

### Technical Skills

Frontend: HTML, CSS, Bootstrap, SCSS, JavaScript, TypeScript, Angular

Angular Skills: Components, Modules, Services, Routing, Forms, Pipes, CRUD, HTTPClient

Tools: VS Code, Git/GitHub, Node.js, Chrome DevTools

Other: Responsive Design, DOM Handling, API Integration

### Projects

#### Grocery Store App – Angular (CRUD)

- Built a responsive grocery application with category-wise product listing.
- Implemented Add/Edit/Delete using Angular Services & Reactive Forms.
- Used Routing, Validation, Bootstrap UI, and Local Storage for data handling.

#### Book Management System – Angular

- CRUD-based book management UI with reusable components and services.
- Designed responsive pages using Bootstrap & custom CSS.

#### Personal Portfolio Website

- Fully responsive portfolio using HTML, CSS, JavaScript with smooth UI and animations.

#### IoT Women Security Assistance System

- Developed a GPS-enabled IoT device for emergency alerts and live location tracking.

### Strengths

Quick learner | Team player | Adaptable | Punctual | Organized

### Personal Details
